June 3, 2020 - Principal's Message, Mrs. Kathy McTaggart

Special Graduation 2020 Edition

This edition of the principal's message is going to be mainly graduation related, as this upcoming Saturday would have been PSC's commencement and graduation ceremonies.

A message to our class of 2020

"Congratulations to the Grad Class of 2020! As the end of June and the end of grade 12 creeps closer, I know you are (hopefully) all diligently working from home to finish up those last few courses you need to reach this important milestone.

Graduating grade 12 is an important turning point in every student's life and although it looks a little different this year, it is a time to celebrate yourselves for a job well done. I know you have created many memories along the way from the various schools you have attended. My hope is that through your experiences over the past 12 years you have gained the knowledge and confidence to move into adulthood as the smart, capable, ethical young women and men I know you are.

I give each of you a virtual hug and wish you happiness and health as you transition to the next phase of your life. Congratulations!!"

Grad Ceremony

Will be postponed until such a time as the province permits large gatherings.

Graduation messages, newspaper insert, scholarship awards ect. may be picked up by Grade 12 students (or parents) during weekdays from June 8-19 between 9:00-3:00pm.

Visit our website for a special [Congratulatory Video from the PSC Staff](#)

Commencement Awards

Every year the community steps up and supports many scholarships for our grade 12's. Typically we announce these awards at the commencement ceremony, but this year we will be announcing the awards here.
