

## LANGUAGE ARTS 7 2020-2021

Teacher: Mrs. Kinley

*"I don't believe in the kind of magic in my books. But I do believe something very magical can happen when you read a good book."- J.K Rowling*

The junior high language arts program is organized into speaking, writing, reading, listening, viewing and representing strands. Each strand is developed both as a single skill and as a complementary communication tool in writing and in analyzing literature. It is the intent of all language arts courses to give students the opportunity to develop a lifelong appreciation of the English language as well as a good understanding of how to use it effectively.

## **Requirements for Success**

- 1. ATTENDANCE:** Students must make every effort to attend all classes. Regular attendance is one of the most important factors for academic success. Lateness is a form of disrespect. If you are late, you are still expected to attend class. Enter the room quietly, sit down and get to work. Do not disrupt the class.
- 2. STUDYING:** Regular studying and review of course material at home and preparation for quizzes and tests is essential
- 3. RESPONSIBILITY:** Students are responsible to obtain and/or make up all missed readings, notes, materials, assignments, quizzes and/or labs during any absence. Students may obtain missed items from other students or the teacher at an appropriate time so as not to disturb the class.
- 4. QUESTIONS:** Be sure to ask questions to clarify concepts. Please make time to see me during breaks, tutorial or after school for extra support.
- 5. BEHAVIOUR:** Mature and considerate behaviour is expected in class. Students who do not meet an acceptable standard of behaviour will not be permitted to continue disrupting others.
