## **March 4, 2021 - Principal's Message, Mrs. Kathy McTaggart**

Welcome to March; it has certainly come in like a lamb so far...hopefully it doesn't go out like a lion.

### **Thoughts of Next Year**

As we begin thinking about school for next year one of our first decisions is whether our high school will run in quarters or semesters next year. If you are a high school parent **please take a few minutes to fill out the attached survey.** [LINK](#)

### **Parent Teacher Interviews**

We are still not permitted to have guests in the school building and will once again be having phone parent teacher interviews. If you would like to have a conversation with one or all of your child's teachers please reach out to them and they will give you a call. Parent Teacher interview calls will be happening over the next two weeks.

### **Badminton**

Our badminton season is up and running and we have several groups of happy students getting back into sports!

### Grad 2021 Update

**Grad Photos** were taken at the end of March. We will have **grad photo retakes on MARCH 22**. If you are graduating and did not get your photos done yet please make sure you sign up for March 22. It is linked in the grad update email the graduating students and parents will be receiving this week.

**Save the Date!** - Our school is working with our division office, the two other high schools in town and the Town of Ponoka to plan and carry out a **Graduates of Ponoka Parade** this June. We think this will be a wonderful way to recognize and honor our new graduates in a covid appropriate way. We are excited to be engaged in this planning and are currently working to fall within insurance guidelines. More info to come!
