PONOKA SECONDARY CAMPUS

FALL AWARDS PROGRAM & APPLICATION FORM

Our Fall Awards Program At A Glance

Ponoka Secondary Campus has a very extensive awards program, due in part to the tremendous support from our community, industry and government. We normally have three award celebrations beginning with the *Grad Commencement Ceremony* on the first weekend in June, the *Athletic Banquet* in early June and concluding with the *Fall Awards Program* in October.

Student awards at PSC are classified as either academic awards or non-academic awards. **Academic Awards are awards based entirely on marks and do not have to be applied for.** Non-academic awards do however; require our awards committee to make a decision as to the best applicant. This decision is based on a combination of an applicant's scholastic, artistic, athletic, leadership and volunteer accomplishments. **Non-academic Award applications require the student to comment on their accomplishments based on the criteria for each award.**

Below you will find an explanation of what the committee will be looking for as they consider each application. Keep in mind that the awards committee is seeking the applicant that "best combines" these attributes. This means that being strong in one area will not necessarily make you the successful candidate.

ACCOMPLISHMENTS & CONTRIBUTIONS

General Guidelines

PSC Academics: The committee wants to know your academic strength.

- What is your academic average as it was calculated for a school certificate or honour pin. If you know your average, write it down. Honours are typically an average of 80%+ and certificates of achievement (75%+) based on courses completed at PSC. If you are unsure of your average, please see Mrs. Adcock for help prior to submitting your application, or log into **mypass.ca**.

PSC Athletics: The committee wants to gain an appreciation for your athletic ability and the extent of your involvement in our programs.

- What sports have you been involved with? How many years have you competed in this sport? What significant accomplishments have you achieved in each sport (eg. Personal bests? League, Zone or Provincial Champion)
- Other accomplishments? (team captain, all-star, etc.)

PSC "The Arts": The committee wants to gain an appreciation of your artistic abilities and to what extent you have been involved in PSC programs.

- How many years have you been a member of the drama club? How many drama classes have you taken? Did you have any leading roles?
- Other dramatic accomplishments?
- List your musical accomplishments? Are you a member of the school band; choral group; stage band? For how long?
- Other musical accomplishments?
- List your graphic arts accomplishments. How many art courses have you taken? Have you participated in the "Arts Night"?
- Other graphic arts accomplishments?

PSC Leadership: The committee wants to gain an appreciation of your leadership characteristics and how involved you are in leadership activities.

- At PSC we believe that student leaders actively enrich our school climate through their **direct participation** in school leadership activities. How involved are you? Have you been involved with student council and if so, for how long? Have you been involved with any sub-committees of student council and if so, for how long (assemblies, bulletin boards, citrus fruit, etc.)? Have you taken a leadership role on any clubs or teams? Have you helped out with any other school functions such as Terry Fox, Santa's Anonymous, grad, etc.
- Student leaders step forward when **volunteers** are needed. In addition to the committees you have been a part of, have you volunteered to help out on any other occasion (setting up chairs, cleaning-up after dances, putting away equipment, volunteering in your classes, etc.)?
- Student leaders are **respectful, responsible and cooperative**. Briefly explain how these character traits describe you.
 1. Being respectful would include things such as using appropriate language, dressing appropriately, listening without interrupting, etc.
 2. Being responsible would include such things as being punctual, doing your best on school assignments, following school policies, etc.
 3. Being cooperative would mean having a "positive attitude" and making a sincere effort to get along with others.

Deserving Student: The committee interprets the word "deserving" as follows:

- A very hard working student.
- A student that demonstrates many of the leadership traits described above.

Please keep in mind ... our Fall Awards Ceremony will be held in OCTOBER. It is our expectation in selecting you for these awards, that you will be in attendance at the Ceremony to accept your Scholarship/ Award. We ask that you mark this date on your calendar now.

Once you have checked off the awards or scholarships you would like to be considered for this fall, you must thoroughly complete the application process. This is important as the selection committee will be closely scrutinizing each applicant's package for the necessary criteria of each award or scholarship applied for. It is your job to make sure you provide the necessary evidence to meet the eligibility requirements of the awards you are applying for! If you don't meet the criteria you should not apply for it.

“A RESUME” of your accomplishments *must be created* as a significant part of this application package. Please refer to the “General Guidelines” given above to help assist you in creating a thorough picture of your accomplishments, attributes, and qualifications. You should focus on your academic achievements, school athletics, involvement in the arts (drama, music, art) at school, and your involvement in school leadership.

Please assist the Committee by giving us a detailed description of the volunteer work that you have done at the school and in the community. Be very specific and include: Volunteer Supervisor Name & Contact Information (i.e. telephone number) and as much detail as possible.

As well, you should indicate to what extent you may have been involved in any community-based activities...past or present (i.e. Dance, 4-H, hockey, swimming, golf, music etc). As a final piece to your application package you should provide the Committee with any further information that you feel the Committee should know about you in considering you for these awards. Again, please be very specific and provide as much detail as possible.
