**Course Selections and Planning for Next Year** - As is our tradition here at PSC, we will be starting with our one-on-one parent, student and TA teacher meetings over the month of April. Your child's TA teacher will be contacting you in April.

**School Fees** - Semester 2 Fee Statements have been mailed home for each student. Please ensure all fees are paid as they are vital in the sustainability of many programs at PSC and are now due. All payments can be made online through your Parent Portal or at the school office (Visa, MC, Debit, Cash or Cheque made payable to Wolf Creek Public Schools). **We Are On Facebook** - We now have an official school Facebook site.

Please follow us to receive timely updates. Find us at **Ponoka Secondary Campus**

**Covid-19** - the division is working on an informational message to families and you should see this power announcement coming out in the next day or two. Please take care of yourself.

**Hygiene Information** - as being clean and hygienic is at the top of our minds right now and because warm weather is beginning just a note to parents. Please help your children to come to school clean and odor free. We have been having an issue with body odor lately so would like to appeal to parents for help as this can be quite an embarrassing conversation to have with a staff member.

Some tips and talking points:

- Showers or bath should happen regularly (2-3 times/week minimum), with soap and shampoo
- Deodorant should be used daily
- Teeth brushing should happen every day with toothpaste
- Washing clothes on a regular basis helps reduce body odor

If your family is having issues providing these toiletry items for your child please contact our school social worker, Carmen Rodwell.
