## **January 18, 2021 - Principal's Message, Mrs. Kathy McTaggart**

Happy New Year and Welcome to 2021,

I just want to tell each of you how nice it was to see your children last Monday. We had the vast majority of our students back in the building and our best attendance since September. Walking around watching the students laugh and learn and interact with each other warmed my heart.

### **Boston Pizza Student of the Month**

### **Grad 2021 News**

Our committees have met again and grad plans are brewing. Everything is being planned with flexibility in mind and our grad class is well poised to celebrate to the best of our ability.

**Grad Photos** have been pushed back to February 23 and 24. We pushed them back so that hopefully by then hair salons will be open and we can have our young ladies and gentleman looking their best for those photos, not the shaggier lockdown versions we see right now. Sign up and payment will all be online this year, links will be shared out as they come available.

### **School Council Meeting**

Our next school council meeting is scheduled for Monday January 25, 2021 at 7:00pm. All parents and guardians are invited to attend. Current government regulations will dictate whether we have an in-person or virtual meeting. If we need to have a virtual meeting the link can be found [HERE](#)

### **Grade 7 Virtual Assembly on Weather**

On Tuesday Jan 19th @ 1:00pm all our grade 7's will be receiving a 1 hour virtual presentation from Chris Chittick on weather, weather systems and specifically storms. Here's a link to see what it is about if you are interested:
