December 15 , 2021 - Principal's Message, Mrs. Kathy McTaggart

The school has been an extremely busy place the last couple weeks and will be until 3:30pm on Friday, December 17th when the bell will go and everyone will head home for a couple weeks off. Students are enjoying participating in the annual "12 Days of Christmas" with the wrap up on Friday as we serve students a turkey dinner.

The 40th Annual Santa's Anonymous campaign is almost wrapped up for the year as deliveries happen today after school. A huge Thank You to all of the staff, students and community members who have helped out again this year. This project takes hundreds of hours and many people have been here on the weekends and evenings ensuring that we get this year's hampers out before school ends. A very special shout out to Karen David and Lori Skaley who take on the bulk of the organizing for Santa's Anonymous.

I would like to wish each of our PSC families a Merry Christmas. I hope that you take the time with your families to recharge and create some fantastic memories. As I reflect upon Christmas' past I remember the games nights, tobogganing, silly dances, ski days and family dinners the most, not what I gave or received for gifts, so cherish the memories and plan on creating new ones this holiday season.

Sports Update

Basketball: Is in full swing with our first home games happening this week after school. Good luck Broncs!
