Feb 7, 2022 - Principal's Message, Mrs. Kathy McTaggart

A quick message today as I am seeking some feedback as we begin planning for the 2022-2023 school year.

Survey for Parents of Grade 9-12's

Now that we have completed half the school year and are starting to turn our thoughts to planning for next year, the school would like to gather some feedback. The past 2 years we have utilized the quarters system with our high school courses..

This meant that we had 4 quarters of approximately 43 days each; 2 - 3 hour classes per quarter.

VS :

a semester system which is made of 2 semesters of 86 days each; 4 - 80 minute classes per semester

We would like to gather some feedback from parents about what is preferred from your point of view.

If you are a parent of a student in grade 9, 10, 11 or 12 please take a few moments to answer the questions in the form below.
