Basketball - a report from Coach Chapman

Basketball is wrapping up for the season. Our senior high teams have finished their season while our junior teams are in the playoffs this past week. Grade 9 girls and the junior high boys teams are both in the CWAJHAA qualifiers this weekend. While the Grade 7/8 girls compete in round two playoffs on Monday. Congratulations to all of our teams this year, we enjoyed seeing so many new faces on the court and all the athletes had a great season of fun and learning.
