Parent Pact - *“Together we are better!”*

In our quest to serve our vision, a partnership must exist between home and school. Please take the time to read through and commit to the Parent Pact to ensure the success of your child.

As parents, we will do our best to ensure:

- Regular school visits and attendance at school events. We encourage you to be actively involved in your child's education and to model the importance of school. Research has shown that children are more likely to have successful school experiences if their parents are involved in their education. Some examples of ways to take part in PSC programs are: School Council, Parent Orientation Nights, Parent /Teacher interviews, volunteering, attending sporting and fine arts events, communication, etc.
- Monitoring of student work and regular communication with your son/daughter's teacher.
- Doing homework helps students develop their ownership and responsibility for themselves. It helps students develop character and personal management skills. Homework skills become work skills and attitudes as students move into the work force. Homework is intended to reinforce learning, to promote practice of skills, to review for exams, and to connect home and school. Homework connects the triangle of student, teacher and home (parents and guardians): the education team.
- Monitoring attendance and grades through the Parent Portal on the computer. **Parent Portal access for new students will be sent home in September, or if you do not receive login/password information, please contact the office.**
- Ensure your children get enough sleep during the school week, to ensure their punctuality and attentiveness. A well rested and well-fed student learns and feels better about themselves. They will be more successful at school.

Only through the commitment of students, parents and staff can our vision of “Putting all Learners on Winning Streaks” be accomplished.

Together we are better!

Wolf Creek Public Schools

September 6, 2022

Dear Parents,

RE: Fair Notice

The safety of our children is a top priority for us all. We, as a school system, have been involved in intensive safety training and collaboration with our community partners – the police, Alberta Health Services (Addictions & Mental Health) and Children's Services. Together we have created and signed a community protocol for responding to all situations in which students may be posing a threat to themselves or others.

This letter is to inform you that we, as a school system, adopted policy in January 2003 that mandates schools to have a "zero tolerance" stance for not investigating all threats and threatening behaviours (Admin Procedure 167). The purpose of the investigation/assessment is to determine how best to support high-risk students so that their behaviour does not become hurtful or destructive. Please be assured that if your principal is aware of threatening behaviour, he/she will be taking measures to deal with the situation in a positive and proactive manner. If your principal invites you to a meeting to discuss safety concerns about your own child, please be assured that protocol is being followed and that the goal is safety, not punishment.

This letter is intended to serve our community with **fair notice** that we, as a school community, will not accept "no response" to a threat making behaviour. Our goal is to respond to all threats in a professional manner that provides for a healthy and caring learning environment.

We are proud to be able to provide this level of support to our school communities and are most fortunate to have our community partners at our side.

Sincerely,

Tim De Ruyck
Superintendent

Ponoka Secondary Campus is committed

to the following ATTENDANCE PHILOSOPHY:

Daily attendance, student contribution and participation in class are essential components in order for a student to be a successful learner.

PSC expects that all students will attend class regularly and be on time for all of their classes. We believe that these traits are essential in our students' future career choices. By attending and participating in class, students learn to: participate in group discussions, develop an appreciation for the views and abilities of other students and form habits that are

directly linked to success in the world of work.

Attendance Guidelines

PSC expects that all students will attend class regularly and will be on time for all of their classes. If a student is away from school for any reason, it is the **families responsibility** to have a parent or guardian phone the school on or before the day of the absence. This option is available to parents 24 hours a day at (403) 785-0741 or (403) 783-4411 and press 8. Any absence that has not been excused by a parent or guardian will be considered an **unexcused absence**. Students, who are truant, will be referred to an Administrator who will implement a variety of strategies to ensure success for all students.

ATTENDANCE POLICY – Absences

Student attendance will be monitored regularly by our administrators and in the event:

- a) that a student reaches **5 absences total in any one class**, teachers will be contacting parents/guardians to have a conversation reiterating the need to attend.
- b) that a student reaches **10 absences total in any one class**, a parent/guardian meeting will be scheduled with an administrator to confirm importance and validate the necessity of student's attendance in class to be successful in the course. A plan will be developed between student/parent/administrator to improve attendance.
- c) that a student reaches **15 absences total in any one class**, a second Parent/Guardian meeting will be required with an administrator with the intention to re-evaluate the plan and outline additional supports to be put into place.
- d) that student reaches **20 absences total in any one class**, the student will be withdrawn from the traditional "in class" course. The student will then be enrolled in our Enhanced Learning Program to give students the opportunity to earn credits.

**** Please note that three lates constitutes one absence**

ATTENDANCE POLICY - Lates

- In High School a student will be marked Absent if they are over 30 minutes late
- ANY absences go toward your absence tracker and counts toward the attendance policy
- If students are late or absent they will be assigned tutorial by their teacher

Awesome Attendance = REWARDS

Miss School Miss Out will be tabulated mid-June in each year.

Students must maintain perfect (or near perfect) attendance:

- i) Students with excessive (more than 5) lates will not be eligible;
 - ii) Students who have 4 or less excused absences for an entire year will be eligible;
 - iii) High School students must be enrolled in a minimum of 30 credits;
- If students have further questions or need more information, please contact the Principal.

Miss School Miss Out, Awesome Attendance Rewards:

1. Broncs Wear
2. Punch Card for 5 lunches (\$7.00 maximum per lunch) OR
3. **An option to Exempt a Final Exam** - To qualify for the exam exemption, the student MUST have a mark of 80% or above in the selected course they are choosing to exempt. An additional application form must be completed and signed by the course teacher and parent/guardian of the student. The student can exempt only one final exam per subject area (i.e. Math, Sciences, Social, Language Arts) while attending PSC. For example: if a student exempts Social 7, they cannot exempt Social 10.

(NOTE: Diploma Exams and PAT's CAN NOT be exempted for awesome attendance)

Please Note: For Reward #1 and #2 above, students must maintain an average of 65% in enrolled courses.

CODE OF CONDUCT

The Wolf Creek School Division requires all schools attend to their [School Code of Conduct](#) per Section 33.1 of the Education Act which stipulates that the Student Code of Conduct be

made publicly available and be reviewed every year by all staff, students and parents.

The Code of Conduct provides all stakeholders the specifics about how each of our Wolf Creek Schools are focusing on being welcoming, caring, respectful and safe learning environments. It outlines what is acceptable behavior and what is unacceptable behavior. The Code of Conduct also provides information about the consequences of unacceptable behavior, which takes into account the student's age, maturity and individual circumstances. The Code of Conduct also explains what support is to be provided for students who are impacted by inappropriate behavior as well as for students who engage in inappropriate behavior.

At PSC we endeavor to nurture an attitude of respect for each other, our building, and learning. It is our assumption and expectation that students who register at PSC will comply with this philosophy.

Students must comply with [Section 31 of the Education Act](#) as outlined below:

- attend school regularly and punctually,
- be ready to learn and actively engage in and diligently pursue the student's education,
- ensure that the student's conduct contributes to a welcoming, caring, respectful and safe learning environment that respects diversity and fosters a sense of belonging,
- respect the rights of others in the school,
- refrain from, report and not tolerate bullying or bullying behaviour directed toward others in the school, whether or not it occurs within the school building, during the school day or by electronic means,
- comply with the rules of the school and the policies of the board,
- co-operate with everyone authorized by the board to provide education programs and other services,
- be accountable to the student's teachers and other school staff for the student's conduct, and
- positively contribute to the student's school and community

In order for PSC to function effectively and in an orderly fashion, it is imperative that students behave in a manner that is respectful towards their peers, teachers and support staff. Good manners, common sense, courtesy and a respect for authority are guidelines for acceptable behavior. All of us in the school should consider the following as our rights as members of Ponoka Secondary Campus.

In addition to our Code of Conduct, there are specific guidelines regarding the following situations:

Academic Dishonesty/Plagiarism

Acts of academic dishonesty will not be tolerated at PSC. Under the guidelines of the Education Act and Wolf Creek Public School Policy, this may result in a zero grade, suspension or withdrawal.

Cleanliness Responsibilities

Students are expected to cooperate with the custodial staff in keeping our building a clean and attractive environment. To this end, students **MUST** put garbage and recyclables in the appropriate receptacles provided, not write on walls, lockers or desks and refrain from chewing sunflower seeds in the building.

PSC seeks to be a safe, litter free area where students, staff and visitors alike respect the school buildings and surrounding environment. Students can face a littering ticket or community service for violation of this policy

Dress Requirements

Students are asked to use good judgment in what they wear to school. Please follow these guidelines. In the event that clothing is deemed inappropriate you will be asked to report to the office and then change into something more acceptable.

- * **Please do not wear clothing with profanity written on it**
- * **Please do not wear clothing with inappropriate pictures (marijuana, nudes, etc.)**
- * **Please do not wear skimpy, revealing tops, shorts, skirts or pants. This would include tops that are backless/strapless and/or expose a significant amount of the abdominal area.**

Students **are expected** to remove their hats in the Hall of Valor; Gymnasium; and the school office.

Fighting

All students at PSC have a right to a safe and secure environment. Students who are involved in a fight at PSC will be suspended for a minimum three day out of school suspension. Repeated offences will result in a five day out of school suspension and possible expulsion from PSC. The RCMP may or may not be involved.

Students in possession of a weapon or replica of a weapon on school property will be recommended for expulsion unless extenuating circumstances apply. A weapon is any firearm, pistol, knife or any other device as deemed a weapon by the Administration. The RCMP may or may not be involved.

Parking Lot/Vehicle Use

1. Students are welcome to use the student parking lot provided they park responsibly.
2. Vehicles parked in reserved areas will be towed at the owner's expense.
3. Reckless driving (stunting/speeding) on school property will result in a suspension of parking privileges and potentially a ticket.

Possession/use of alcohol and drugs on school property is prohibited.

Students in breach of this policy will face a minimum **3 day** suspension. This policy includes all school events. In addition to the suspension or expulsion, students may be requested to attend at least two counseling sessions that relate to their use of drugs or alcohol. The School Social Worker will coordinate attendance at these sessions. The RCMP may or may not be involved.

The possession and/or use of tobacco products, smokeless tobacco products and vapes are prohibited from use on school property. Students caught vaping or smoking on school property will be suspended and possibly fined. In addition, vapes, vape juice, tobacco products or other paraphernalia will be confiscated.

Skateboards, Rollerblades, Bikes and Scooters

Students are not permitted to skateboard on school property at any time. Students are not permitted to board, blade, bike or scooter inside the building at any time. Students in violation of this property will have these items confiscated.

Suspensions & Detentions

Students on suspension may serve the suspension either in or out of school as determined by the administration. Students on suspension must understand that it is ***their responsibility***, not their teachers; to be sure they get caught up with all assignments.

If a student is assigned a detention, the detention has precedence over all other school activities including school sports teams. Students may be sent directly to the office after several attempts to resolve the issues at the classroom level or immediately in serious situations.

STUDENT INVESTIGATIONS AND SEARCHES (Wolf Creek School Policy)

Investigations of student conduct by members of the school administration and teaching staff are covered in PSC Code of Conduct. Students are expected to cooperate fully with the teaching staff and administration. Students suspected of wrong doing will be expected to empty their pockets, backpack, etc., if requested to do so. If, in the opinion of the Principal, a physical search should be conducted, a law enforcement officer (SRO) and parent/guardian shall be contacted. In the event that a Law Enforcement Officer finds it necessary to investigate a student during school hours, the administration will contact the parents to determine whether or not they wish the investigation to proceed. When permission is obtained, the investigation will proceed. If the parent cannot attend, the administrator, or an adult of the students choosing, will be in attendance. If an immediate arrest is deemed necessary, the Officer will proceed as per Criminal Code guidelines. From time to time, the school liaison Officer may question students on an informal basis and it is expected that students will be cooperative. If students believe that legal or policy issues are involved, they may decline the interview to seek further advice.

Technology Policy

At Ponoka Secondary Campus we recognize technology is increasing and ever changing. When technology is used appropriately it can be a valuable educational tool. However, when used inappropriately phones and social media create significant distractions and research shows more and more of our youth are addicted to phones and social media. This has led to increased distractions, cyber bullying and lack of focus on curriculum. Parents who wish to have more information on the impact of cell phones on youth are encouraged to read:

“IGen: Why Today's Super-Connected Kids Are Growing Up Less ...” A Book by Jean Twenge, or one of several articles available of the web.

As a result, PSC has implemented the following Technology policy:

Students may NOT use personal technology during instructional time.

This includes using cell phones, ipods, laptops, or any other device that will distract them from classroom instruction. Students are allowed their tech devices before classes start, on breaks and at lunch. During instructional time, students are to put their devices away. Staff may approve the devices for educational purposes. This would be an exception to the rule and is in place to allow teachers and students to use the technology appropriately.

Any student who is caught using their tech devices during instructional time or in an instructional space will have it confiscated until the end of class for a first offence by the staff member.

For a second offence, the device will be confiscated, turned into administration and the student may then pick their device up from the office at 3:25 pm from an administrator. An information handout will be provided for the parent. For a third offence, students are required to have a parent come and pick up the device for them. Subsequent offences will result in further consequences such as increased phone confiscations, in school or out of school suspensions and further withdrawal of privileges.

REGISTRATION YEARLY REQUIREMENTS

Parents/Guardians must submit through the online Parent Portal, a yearly current Student Demographic Form for their child(ren). This is pursuant to the Alberta Student Record Regulations and our Wolf Creek Public School Policy. The Registration Form includes several essential consents required to be completed on a yearly basis by parents (i.e. Responsible Use of Technology, Walking Off Campus, Code of Conduct, Human Sexuality, Medical Information and FOIP).

Restrictions will be placed upon student if required Registration Form is not completed:

1. No Responsible Use of Technology Form = no student access to any technology including network;
2. No Phys. Ed Acknowledgement of Risk Form = limited phys. ed activities;
3. No Walking Off-Campus Form = no leaving school grounds for activities;
4. Purchase of Broncs Swag will be prohibited;
5. Involvement with Broncs Teams may be limited.

PROGRAM INFORMATION

Upon completion of their high school program, students will receive an Alberta High School Diploma or Certificate that recognizes each student. Students will also receive a PSC Commencement Certificate at the annual Commencement Ceremony. A description of all courses offered at PSC is published in the school “Student Registration Guide”. This document is made available to students during registration and is available on our website.

HIGH SCHOOL CREDITS

Each high school course is assigned a credit value based on the number of hours of instruction. One credit represents 25 hours of instruction. Most courses have a 5 credit value (eg. Social Studies 20) but there are Career and Technology courses based on 1 credit per module. You must receive a mark of 50% or more to earn your credits.

It is expected that all Grade 10 will be registered in eight (8) full courses (no spares) and Grade 11 & Grade 12 students will be registered in at least seven (7) full courses *unless there are extenuating circumstances*.

Note: You may, with permission, select Biology 30 or Science 30 in your Grade 11 year. However, in the cases of Grade 12 diploma courses (Math 30, Chemistry 30, Biology 30, Social Studies 30, Physics 30, English 30) you **must have a final mark of at least 70%** in the prerequisite 20 level course to take the 30 level during your Grade 11 year. Course availability may be restricted by enrollment.

REPORTING AND ASSESSING

At the beginning of each course, students are provided with a course syllabus which outlines the contents of the course and the basis for evaluation. Students and parents should look these over carefully and pose questions early in the semester. Wolf Creek Public Schools Policy provides for an appeal procedure should there be a dispute over a student's mark. Parent-Teacher Interviews to discuss student progress are scheduled each semester.

PSC believes in regular ongoing assessment. Marks are updated regularly a minimum of once a month. This will include a grade, complete assignments, missed assignments, attendance and comments. A final Report Card will only be issued at the end of the school year in June.

Parents, guardians and students will be able to view student progress through the Internet-based Parent Portal within PowerSchool, the District's student information system. The Parent Portal is an easy to use communications tool that will allow you to take a more active role in your child's education and gives you access to attendance, grades, detailed assignment descriptions and school bulletins.

Login ID's and passwords are a one-time set up that allows you access for the duration of your child's time in Wolf Creek School. This is the same ID and password used for registration through the School Engage application. Parents/Guardians may access detailed instructions on how to use the system by going to PSC's home page. A direct link is also available on our home page to the PowerSchool Parent Login. If you have any further questions with respect to accessing the Parent Portal, please call our school office @ 403 783-4411.

CONCERNS REGARDING A COURSE

Students or parents that have concerns about a particular course should:

- 1) speak to the teacher of that course
- 2) if major concerns still exist, request a meeting with the teacher and an Administrator.

DROPPING COURSES

When a student registers in a course, resources in terms of teacher time and classroom space are allocated to the student. Therefore, it is expected that students will complete their courses in their assigned blocks. When circumstances such as poor attendance and/or achievement do warrant an alternative delivery, students will need to follow the appropriate 5 step process to drop a course.

[22 23 Course Drop Form](#)

EVALUATION POLICIES AND PROCEDURES

1. Evaluation is in terms of course objectives set forth by Alberta Learning.
2. Evaluation is a continuous process throughout the semester with a variety of assessment tools being used.
3. Evaluation criteria will be set out at the beginning of the semester with consistency between subject areas and grade level.
4. Evaluation will be based on the course outcomes.

FINAL GRADE APPEAL PROCEDURE

Every student or parent has the right to appeal a final grade. The first level of appeal should be made directly to the course teacher. If the student and/or their parent/guardian are not satisfied with the decision, an appeal must be made to the Principal in writing within 5 days of receiving the final course mark from the teacher.

LATE ASSIGNMENT POLICY

1. Students are expected to submit their work in a timely fashion. Any missed assignments or quizzes, must be made up by the student before the corresponding unit exam for full marks.
2. Any outstanding assignment after the unit exam is written will be issued a mark no higher than the unit exam mark.
3. Students may re-do assignments that were handed in on time for regrading at the discretion of the teacher. The most recent grade stands.

RE-WRITE POLICY

1. It is expected that students are prepared and present for exams or assessments. Re-writes for exams will be dealt with on an individual basis and as follows:
 - a) A request to Rewrite form is to be completed or discussed, signed by the student, teacher and a parent/guardian.
 - b) It is expected that if a re-write is granted, the student will attend flex class to prove competency.
2. The re-write mark is the mark that stands. Re-writes are expected to be completed in a timely fashion and out of course time.
3. If a student legitimately misses an exam (excused absence), the exam is written on the first day of return of the student or as decided upon in consultation with the teacher.

A student cannot register at the Brick Learning Centre without the prior approval of the Principal of PSC and acceptance by the Principal of the Brick. The Brick has a limited number of spots available for students. These spots will be filled in an “as needed” basis and a student’s admission to the Brick is not guaranteed. **Students must maintain minimum credit loads while at PSC.**

GRADUATION POLICY

All Grade 12 students registered at PSC who wish to participate in the school graduation ceremony must meet minimal graduation requirements. Participation in graduation ceremonies **is a privilege for students and not a right.**

1. Students must meet the minimum course credit requirements for a High school diploma as established by Alberta Learning. Specifically, students will:

A) Achieve a minimum grade of at least 50% in all non diploma subjects required for graduation and meet the requirements for diploma subjects described below. Because the final grades for diploma exam subjects are established by blending the school awarded mark and the diploma examination mark, the following rules will apply:

- i) Students must have earned at least 50% in the blended mark in any required diploma exam subjects. If students achieve 50% or more on the school based mark, but less than 50% on the blended mark, they may become eligible by rewriting the diploma exam at the end of the second semester.
 - ii) In the second semester, students must have earned at least 50% in the school awarded mark in any diploma examination subject students require in order to meet their diploma requirements.
 - iii) Students who are re-writing diploma exams in June in courses required for graduation must submit proof their registration to the Grade 12 Assistant Principal by April 30th to satisfy the graduation requirements.
- B) Be eligible for a Certificate of Achievement;
C) Be eligible for a Certificate of School Completion;
D) Students who are registered in a modular based course at PSC must have at least 60% of the course completed to be considered for the graduation BY April 15th.

2. The list of eligible graduates will be prepared by April 15th.

3. The final list of graduates will be prepared by May 15th.

4. If you are a dual student (enrolled in more than 1 school), to be eligible to be a part of the Ponoka Secondary Graduation Ceremony, student(s) must have more credits at PSC than the other institution in your graduating year.

5. To provide information to perspective graduates and their parents the school shall provide a copy and review this policy and regulation to the Grade 12 students throughout the year.
6. The graduation ceremony is a school sponsored event meaning that students are responsible to the school for their decorum. Behavior that distracts from the dignity of the celebration may result in the student losing the privilege of continuing the day's activities.
7. The Principal will have the authority to make decisions for the eligibility of students in extraordinary circumstances.
8. It is the responsibility of a graduation committee in consultation with the school administration to plan and organize the graduation activities.
9. The school shall not be responsible for any financial costs associated with graduation or for any financial liability that may arise as a result of the graduation activities.

Graduation exercises at PSC are sanctioned by the school and organized by the class of graduates with the assistance of, and under the supervision of a staff advisor. All activities planned for the formal graduation exercises under the auspices of the school, are subject to the approval of school administration. Monies raised for graduation activities, through direct or indirect reference to the school, may only be spent on activities which are approved by the school administration. Activities which negatively affect the community, the students or the school are unacceptable and may result in the loss of the privilege of participating in graduation for those individuals involved.

In October/November of each year, the graduating class may volunteer for a committee who will be charged with the overall responsibility for organizing the graduation exercises. Individual members of the graduation committees shall act as coordinators associated with the organization of the graduation exercises.

All graduation information regarding ceremonies, pictures, events, etc. will be posted on the school website and graduation Instagram account as well as communicated through the Graduation coordinator. Any questions regarding Graduation can be directed to our Grad Coordinator.

CLUBS AND EXTRA CURRICULAR

PSC believes in offering students a variety of activities and opportunities. The following list represents some of the privileges offered to students at PSC:

Badminton	Intramurals	Drama Performances
Cross Country Running	TA Activities	Golf
Curling	Community Performances	Track & Field
Music Performances	Ski Club	Humanitarian Club
GSA Club	Students' Council	Broncs World Tour

It should be noted that because these are privileges for our students, they earn the right to participate in them by attending regularly, being prepared for class, completing assignments and cooperating with staff and students.

FIELD TRIPS

School sponsored field trips are considered regular school days. Students will be marked “school event” from class for administration purposes. Students who have outstanding school fees may not be allowed to participate. Fieldtrips will have a fee.

HOMEWORK

To achieve and improve academic performance, students must expect to do homework. Each of the following areas listed below should be a part of your regular homework.

1. Completion of daily assignments and work missed due to illness or other reasons.
2. Completion of long term assignments. If you have an assignment due in two to three weeks, work on it regularly.

Do not leave it until the night before, then do a poor job as you must rush through it.

3. Review work taken each day. Studies show that 70% of material learned is forgotten within three days if there has been no review.
4. Take time to keep your notes organized and in sequential order.
5. Study of quizzes, tests and exams.
6. If students need help/assistance, first ask your Teacher; then access Homework Club, Raising the Grade or Learn Alberta resources.

INTRAMURALS

Intramurals are an integral part of our physical education program at the Junior High level. Students who participate in Intramurals have the opportunity to:

1. Improve physical fitness and skill development.
2. Improve social skills.
3. Utilize the lunch hour effectively.
4. Participate in special events and have some fun!

LOCKED DOORS

The main entrance is located at the east side of the school. With the exception of the parking lot doors and main entrance doors, all other doors will be locked to prevent outside access. This is to ensure the safety of all students and staff within the building. Please enter through the main doors or parking lot doors after this time. ***Parents, guests and visitors are expected to check in and sign in at the main office.***

LOCKERS & LOCKER SEARCHES

Students will be assigned a school locker. The registration fee includes the rental cost of the locker for the duration of the school year. The school reserves the right to **search or repossess a locker at any time**. A locker search may include the use of dogs.

Students are urged to keep their valuables locked up at all times, **especially in the physical education change rooms**. The majority of thefts occur in the change rooms. Expensive items could be left with the physical education instructor. Please lock valuable items in your main lockers. If a student's lock goes missing from his/her locker, he/she will be charged a \$10.00 replacement fee.

NOON HOURS

Students who remain at school during the lunch hour must observe the following regulations:

- Place your garbage in the wastebasket and clean off tables
- At the end of the lunch period, straighten the tables and chairs
- Take responsibility to clean up any mess that you may have made
- Act like responsible young people to respect the rights of others around you

Inappropriate behavior at noon hour will result in disciplinary action taken.

PERSONAL LEAVE (extended holidays)

Although it is recognized that there may be benefits resulting from personal leave, the impacts of such leave must be clearly understood by the student and parent:

- Parents are asked to contact the school administration to inform us about extended leaves. Students should discuss the extended leave with their teachers.
- Students are expected to stay in contact with a classmate in regard to missed work and if necessary, seek clarification from their teachers.
- Extended leave days are considered as absences and will apply as such to the attendance policy.
