### March 22, 2023 - Principal's Message, Mr. Cody Baird

Spring Break is right around the corner! Here is an update of this happening at PSC.

**Behaviour at PSC:** We are almost finished our 5 week walkthrough of what it means to be a **BRONC!** After spring break we will be laying the foundation for citizenship, and the weeks after we will begin targeting specific lessons around what PSC students need such as: how to make friends, how to treat others, bullying, driving, vaping and other lessons around building character.

The word **BRONC** stands for:

<b>B</b>	<b>R</b>	<b>O</b>	<b>N</b>	<b>C</b>
<b>BE PRESENT</b>	<b>RESPECT</b>	<b>OWNERSHIP</b>	<b>NO EXCUSES</b>	<b>CITIZENSHIP</b>
What does being present look like, sound like and feel like?	What does it look like, sound like and feel like to show respect for yourself, others, and property?	How do you demonstrate ownership for your learning and belongings?	What do you need to be ready to learn?	How can you be a positive and contributing citizen to our school and community?

**Basketball celebrations:** Thank you to all of our coaches, volunteers and supporters for all of our basketball teams this season. Congratulations goes out to our Jr. High girls team who finished second in the Wolfcreek championship, and to our Jr. High boys who finished First and won the Wolfcreek Championship! PSC is proud of ALL of our athletes and all of their accomplishments.

**Skills Alberta** - We are very proud of our PSC competitors at Skills Alberta this past weekend. Jake Sheppard placed first in Welding and Nathan Sluggett placed third in cabinet making during Saturday's regional competition at Red Deer Polytechnique.

**Grad Fundraiser / Update:** Our grads put on a bake sale yesterday and today in the hallway! Thank you to everyone that supplies goodies.  
We will be hosting a parent / student meeting to help organize and get further parent help for grad on April 13, 2023 starting at 6:00 PM.

**Purdy's Fundraiser:** Thank you for supporting our Purdy's chocolate fundraiser! PSC appreciates the support and we hope you enjoy all of your Easter goodies.

**Broncs World Tour Departs:** Our World Tour group is headed to Europe **today!** We are so proud and excited for them to not only experience Europe, but to bring back their knowledge and experiences to PSC's cenotaph project. A special thanks goes out to Mr. Labrie for keeping this project alive and important to our community, as well as a thank you to our central office team for supporting our school / student trips!

**Leadership at PSC:** Mrs. Kinley took a group of leadership students to Olds college last week for an amazing event! Thank you Mrs. Kinley for inspiring our future community leaders who are inspired to bring some amazing events to PSC for the remainder of the year.

**Jr. High Option Change:** Our Jr. High options will change on April 24, 2023. After spring break it will only be a few more weeks of our options before we rotate through our last round of options for the year! We will help inform students of their new class closer to the change day.

**Congratulations** to our PSC Students of the Month. A special thank you to Boston Pizza Ponoka for continuously helping us celebrate our students.
