June 14, 2023 - Principal's Message, Mr. Cody Baird

It is busy right now as we wrap up the 2022 / 2023 school year! Summer is right around the corner and we want to share everything happening at PSC.

Graduation Celebration: Thank you to everyone who was able to attend, support and celebrate our grads! The event was wonderful and we would like to give one last special thank you to PSC's Aimee Heilemann for organizing everything.

Alice in Wonderland: Our Broncs Theatre program is putting together an amazing show! Come take in some theatre TONIGHT, June 14 or tomorrow, June 15, 2023. Tickets are \$10 for adults, \$5 for kids under 18 years of age. Tickets can be purchased through the parent portal or at the office! The show starts at 6:30 pm, don't miss out!

Athletic Awards Banquet - Thank you to everyone for supporting our athletics programs at our recent banquet where we had a wonderful evening recognizing our amazing PSC athletes and celebrating their accomplishments! We will start next year off with football, volleyball and cross country!

Final Exams: Please make sure you are aware of our final exams that are fast approaching! I have included the schedule below.

IMPORTANT Report Card Information:

HIGH SCHOOL Report Cards will now only be posted digitally and accessed through your Parent Portal. The report card can be viewed digitally or can be downloaded and printed by the parents/guardian who has access to their Parent Portal anytime after June 30th, 2023.

This process is only available to our Grade 10, 11 & 12 Students. Junior High report cards (Grade 7, 8 & 9) will still be printed and mailed out.

As this is all a new process, parent(s)/guardian(s) who have access to Parent Portal will not be able to see any PSC student grades in Parent Portal from June 19 until June 30th, when report cards are released.

If you can't access your Parent Portal, or don't remember your password, please make sure you contact the office right away as June 30th is the last day our office staff are in before the summer break.

Last Week of School Specifics:

Junior High: Last day of classes will be June 23, 2023. This day will be a regular morning of classes; however, you will notice it says "Field Day" on the exam schedule. The afternoon will be filled with a fun outdoor day! Dress for the weather, bring a water bottle, wear / bring sunscreen and bug repellent as we have outdoor activities and water games to play.

Junior High Exam Days June 26 / 27: Exam days for our junior high students are also going to be run differently. Each day students will have a morning and afternoon exam; however, after their exam they can choose to participate in one of the following activities:

Choice 1 - Students can be in the Junior High open area studying for their next exam. This area will remain completely open and silent for our students if they wish to have a quiet place. If students are not able to work / study silently in this area they will be asked to go outside as exams are going to be happening in classrooms around this area.

Choice 2 - Students can spend their time outside either studying or participating / watching a large soccer game. We are asking all students who wish to come outside to dress appropriately and to bring a water bottle so that we are stopping the flow of students from coming in and out of the building. We will have our North fields supervised and will direct ALL students there if they choose to be outside instead of studying inside.

High School: Last day of classes is **Wednesday, June 21, 2023**. Please see the exam schedule to know the day and time of the exam.

Cody

"Work hard, be kind and amazing things will happen."

Conan O'Brien
