SOCIAL STUDIES 30 **Assessment**

- A. Assessment will focus on general and specific outcomes as specified in the program of studies.
- B. To some extent, assessment will be adapted to meet the needs and abilities of the learner. However, overall the student will be required to adjust to the style and demands of the diploma exam.
- C. Evaluation will be on-going. This translates to assignments and quizzes or exams on a day-to-day basis.

D. ATTENDANCE in this course is invaluable!! Students who are absent from class cannot expect to do as well. Even though there is a significant amount of independent study in Social 30. There is an expectation that students come prepared with a base of knowledge. Classroom activities will consist of debate/discussions and lectures that students would not be able to do on their own.
THERE IS VALUE TO BEING IN CLASS!

- E. Students will have access to a diploma exam bank to help them prepare for unit exams.

EXAM REWRITE Policy

1. It is expected that students are prepared and present for exams or assessments. Re-writes for exams will be dealt with on an individual basis and as follows: a) Request to ReWrite form to be completed, signed by student, teacher and parent.
 2. The rewrite mark is the mark that stands. Re-writes are expected to be completed in a timely fashion.
 3. If a student legitimately misses an exam (excused absence), the exam is written on the first day of return of the student or as decided upon in consultation with the Teacher.
-

LATE ASSIGNMENT Policy

- ✓ Students are expected to submit their work/assignments in a timely fashion. This is a school wide policy!
- ✓ Any missed assignments or quizzes must be made up by the student ***before the corresponding unit exam***, for full marks.
- ✓ Any outstanding assignment submitted after the unit exam is written, will be issued a mark no higher than the unit exam mark.
- ✓ Students may re-do assignments that were handed in on time for higher grades at the discretion of the teacher.
- ✓ **Rationale is to reward those who get the assignment done on time.**
