September 18, 2023 - Principal's Message, Mr. Cody Baird

Students are settled in and our school year is off to a great start! Here are some important things to keep in mind and exciting things happening at our school!

Demographic Forms: Student demographic forms need to be completed ASAP. These forms give the school consent to offer off campus activities, give access to technology, allow student field trips, allow access to athletics and to participate in everything PSC has to offer. Students' technology access will be limited, and some activities will not be permitted if these forms are not completed. Please log into your parent portal, and complete these forms under the School Engage section. **If you have any questions, reach out to our front office staff for help.**

**PSC Student Demographic Forms
NEED TO BE COMPLETE !**

Any incomplete demographic forms will result in your child not being able to participate in Phys Ed, field trips, or access to technology as all of these waiver forms are located within the demographic forms.

Call or email our office if you require any assistance.

1 - Login to Parent Portal
2 - Select SchoolEngage from the menu bar
3 - Open, complete and submit your student's Incomplete 23/24 Student Demographic Forms
