**Semester two:** After our exam exams are finished we will be kicking off Semester two starting Thursday February 1st, 2024. Please check your powerschool to see your next semester classes, and visit Mrs. Fessler for any scheduling changes. High school students will have their new classes and Jr. High students will only change their options to their Quarter 3 options.

**Practice Safety Drill on Friday:** We will be doing a practice “Shelter in Place” drill this Friday January 12th, 2024. A shelter in place is typically called when there is something that requires students to be in the building (a storm, car accident outside the building, chemical spill / leak etc.). Depending on the circumstance, students are to remain INSIDE the school (or away from the area that is being zoned off if an incident requires spaces to be cleared), and classes can

continue as normal. This will commence at 10:40 AM on Friday. We thank you for your support with our safety drills.

**Parent Council:** Join us January 15th, 2024 starting at 6:30 PM. We host parent council meetings in our conference room (come through the main office). We are looking forward to seeing you there.

**Christmas Banquet:** Our traditional PSC Christmas Banquet was a huge success this year! Thank you to Mrs. Kinley and her leadership group for organizing the event, Ms. Darnel for helping with the meal, the staff for supervising and supporting and to everyone who helped make the day happen. We hope all of our students enjoyed Flyin' Bob, the meal and the activities that surrounded the day!

**Keep in the Loop:** Easy ways to keep notified: [PSC Events Google Calendar](#), accessing and reading [Principal's Messages](#), as well as following us on [Facebook](#).
