Monday June 3rd, 2024 - Principal's Message, Mr. Cody Baird

Grad: Congratulations to all of our PSC graduates! We had a beautiful day as we celebrated our class of 2024! We also shared a very special moment with our very own, Mr. Labrie who is transitioning to retirement! Thank you for everything you have done for PSC, and our community!

Grad Week Concerns: I want to stress that we are aware of incidents involving students leading up to graduation weekend. We remain sharply focused on ensuring safe, caring, and inclusive environments for all. While we cannot confirm specific details, as they pertain to students, we want to assure our community that the school and the Division have promptly addressed the matter. We remain committed to managing this situation with the care and diligence it requires.

Thank you for your understanding and cooperation.

Pride Month: At PSC we support diversity and inclusion. We have always, and will continue to welcome all students into our school with a safe space. We have some teachings about pride month over the announcements in the morning, as well as some homeroom activities to promote a welcoming environment for all students. Our first activity will be a kindness wall. Classes will be given sticky notes that they will place on a designated wall outside of the office. Any person in the school is able to take a note that “sticks with them” if they choose. Students can also take a note and give it to a friend who they feel needs the positive message as well.

Jr. High Trip: Our Jr. High travel club had an amazing trip! Thank you to Mrs. Kinley and Mr. McLeod for taking our PSC students and teaming up with Bentley school to take students on a once-in-a-lifetime opportunity!

Sr. High Trip 2025: Our Broncs International Travel Club had their first parent meeting and are set to take off in March of 2025. The group will be taking in all of the sights and sounds of Italy and Greece! Thank you to Mrs. Mercer for organizing this trip and giving our PSC students an

amazing opportunity!
